

2017 Senior Corps RSVP Expansion Competition Grant Awards – Pennsylvania

Corporation for National and Community Service

Background

Senior Corps engages the skills, talents, and experience of more than 245,000 Americans age 55 and over to meet a wide range of community needs through a network of three programs — the Foster Grandparent Program, the Senior Companion Program and RSVP – administered by the Corporation for National and Community Service (CNCS). Senior Corps volunteers make a real difference in the lives of individuals as they serve communities to create measurable impact, benefit volunteers through the service experience, and create community capacity. CNCS awards grants to local nonprofits, public agencies, faith-based and tribal organizations to administer these programs. Established in 1971 and now one of the largest senior volunteer programs in the nation, Senior Corps RSVP offers a diverse range of volunteer activities for older Americans in every state, territory and the District of Columbia.
